

JOIN THE MORRIS-DEPEW ASSOCIATES TEAM TODAY!

PRINCIPAL PLANNER, AICP

About the Firm:

Morris-Depew Associates is one of the top consulting firms in the state, offering quality civil engineering, land planning, landscape architecture, surveying and mapping, and litigation assistance services for a variety of local governments and private sector clients. Serving Southwest Florida for nearly 30 years, the team members of MDA have experience in the planning and design of a wide variety of urban, residential, commercial, industrial, recreational, and community-oriented projects ranging from large-scale resort residential projects to urban community spaces and commercial multiuse developments.

Morris-Depew Associates is looking for You – A Principal Planner to join our Fort Myers office and play a pivotal role in the success of our client’s projects.

This position offers the opportunity for a partnership track with the firm. We will provide you with the tools, training and mentorship guidance needed for leadership success.

Our Ideal Candidate: We are seeking a Principal Planner who is well-versed in strategic and current planning issues in Southwest Florida. Candidate must possess team-focused work ethic; ability to prioritize multiple tasks; demonstrate an attention to detail while keeping the strategic vision in the forefront; strong desire for continuous improvement; and client satisfaction. Successful Candidate must possess the desire and ability to form strong working relationships with various Federal, State, County and local governing agencies. Additionally, the candidate should have:

- 5+ years professional experience
- Bachelor’s Degree and AICP designation required
- AutoCAD and/or GIS knowledge a plus

Responsibilities:

- Managing and executing data collection and analysis, drafting plans and regulations, rezoning requests and site plan development
- Conducting meetings with applicants, development professionals and reviewing agencies
- Presenting applications to decision making boards

What We Offer:

- Morris-Depew Associates offers excellent opportunities for growth and advancement
- A competitive salary and bonuses and opportunity for flexible work schedule
- Excellent benefits package, including medical, dental, life, health and fitness plans, and 401(k)
- Opportunity for partnership track

ASSISTANT DIRECTOR OF SURVEYING

About the Firm:

Morris-Depew Associates is one of the top consulting firms in the state, offering quality civil engineering, land planning, landscape architecture, surveying and mapping, and litigation assistance services for a variety of local governments and private sector clients. Serving Southwest Florida for nearly 30 years, the team members of MDA have experience in the planning and design of a wide variety of urban, residential, commercial, industrial, recreational, and community-oriented projects ranging from large-scale resort residential projects to urban community spaces and commercial multiuse developments.

Morris-Depew Associates is looking for You – An Assistant Director of Surveying to join our Fort Myers office and play a pivotal role in the success of our client's projects.

This position offers the opportunity for a partnership track with the firm, with the potential to serve as Department Director within a shorted timeframe. We will provide you with the tools, training and mentorship guidance needed for leadership success. You'll also experience a dynamic team of collaborators working together to navigate innovative and impactful projects varying from traditional commercial spaces to complex vertical structures.

Our Ideal Candidate:

- 5-10 years of professional experience, preferred
- While a Florida licensed PSM is desired, the ability to obtain a State of Florida PSM license by examination or endorsement within 9 months of employment will be acceptable.

Responsibilities:

- Establish plans to ensure schedule and quality on survey and mapping projects.
- Managing budgeting and proposals.
- Plan and implement procedures and systems to maximize operating efficiency.
- Provide management of multiple survey and mapping teams performing Boundary Surveys, Topographical Surveys, Right of Way Surveys, Legal Descriptions, Horizontal and Vertical Control Networks, Aerial Mapping, Construction Staking, As-built Surveys and Mapping, and various mapping exhibits.
- Oversees multiple survey crews and office staff and provide training and mentoring.

What We Offer:

- Morris-Depew Associates offers opportunities for advancement and partnership track
- A competitive salary, bonuses and opportunity for flexible work schedule
- Excellent benefits package, including medical, dental, life, health and fitness plans, and 401(k)
